

Next Rams Meeting

August 7th 2013

Pilots just kicking back!

JULY 31ST 2013

The Rams Horn

Is It Summer Yet?

Field Report

**In a word...
GREAT!**

The field is really nice, Mark has done a really good job in keeping the grass very flyable for just about every kind of plane. From trainers to high performance planes, the field is in top notch condition.

Come on out and see!

Hot / Cold

**What's next
SNOW?**

The weather has been something else, but you don't need me telling you that, it's been a roller-coaster ride for sure, all the more reason to get out and fly when you can!

Other parts of the country are being hit hard, rain, heat and nasty fires, so I guess we're lucky and yeah we complain but, we can still fly most of the time, so, before it snows, dust off your planes and heli's and come on out and fly, you'll be glad you did.

Roger / Roger!

No not Roger as in over and out, I mean our Roger, as in "here he is flying his P51" and enjoying the day.

Roger builds and fly's these planes with his mod's added to them, really something to see fly. Fast and fun!

New Faces!

Let's welcome Ron Szuta seen here who's flying under the watchful eye of Phil as he gives Ron some lessons and pointers on flying. Ron isn't the only new face in the crowd, as we have several new flyers at the field and hopefully the number will keep growing. So if you see Ron, or a new face, say hi, welcome aboard, because new faces means new friends. Make them welcome.

- *Need help with your building project? We're here to help!*
- *Looking for an instructor? We have them, ready and willing to get you started flying, just ask!*
- *Do you have questions on the club? Simply show up at the meeting and ask any questions you like, hopefully the leadership can answer any questions or concerns you have.*
