**Obituary**

## John "Jack" Spindler

RAMS club member and good friend, Jack Spindler passed away on July 28th, 2017. Jack was born in Highland, IL in 1939. He attended Marquette University and earned his bachelors degree in 1961 in history and political science. Afterwards, it was a natural transition for Jack to attend the Marquette School of Law, where he earned his Juris Doctor degree in 1964. Jack worked a vast career, as an assistant district attorney, trial lawyer, staff counsel, and municipal judge. After retirement, Jack pursued his passions. One being carpentry, volunteering for the Habitat for Humanity to help construct and rehab homes locally in Milwaukee and all over the world. The other being aeromodelling. Jack enjoyed the building part of the hobby as well as the flying. He split his flying between the MARKS and RAMS fields from 1985 to 2000. Then he transitioned all his flying activity to the RAMS field, after finally getting use to those short landing approaches! Jack will be missed by his family, friends, and fellow RC club members.

## Events

## RAMS Members Picnic

The annual RAMS Members (and families) picnic is on Saturday, September 16 with a rain date of Sunday the 17th. All members and their families are invited to attend the picnic. The club will be grilling burgers and brats. Condiments, buns, soda, water, and hardware (plates/utensils) will be provided as well. If you plan to eat, each member is asked to bring a plate to pass (recommended) to share with the group or chip in \$5 per person to offset the cost of the food.

All members are encouraged to bring a plane (or several) and fly! This event has always been a good way to meet our newer members and mingle with our friends.

# 2017 MARKS Float Fly

Below are some highlights from this year's float fly at the Richard Bong Recreation Area. It was overcast, with a bit of a cross wind. All the photos taken are available to view on our flickr site:
