# The RAMS Horn

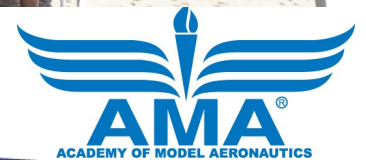

**Events**

## 2017 RAMS Picnic

Another great year deserves another great picnic and we got it. The weather and wind was good. We got to mingle and meet some new members. The day was filled with good flying. Thanks to all the members who attended and also thanks to those who brought a plane. A special thanks to Pam and Tom Young for again cooking a great lunch. We even had cake!

## Field Report

## Wrapping Up the Flying Season

It's about that time of year when the flying events are being taken over by swap events. Flyers are packing up their gear and thinking about what to build this winter. Some of us may be thinking about making our own skis... (for planes). In either case, we all think the field looked great this year. It was a huge challenge to keep up with all the summer rains, but our new field manager, **Bob Glowienka**, was up to the task and really poured his heart into taking care of the field. Thank you Bob and thanks to the other members who gave Bob a helping hand and guidance along the way.

Photos from this month's flying activities are posted on our Flickr page:
