The RAMS Horn

Obituary

Russell Knetzger

Russell Knetzger passed away on October 10, 2017, at age 80. Russell was one of the 25 original charter members who helped establish RAMS and turn the field over from the Milwaukee County RC Association to the club. He also worked many roles for the club, including former president, newsletter editor, and librarian. A copy of each newsletter, including the first from December, 1980 has been maintained in the collection. Russell was also very generous with monetary donations to the club and time volunteered to the club.

Russell also served aero modeling on the national level. He was a AMA Associate VP for 25 year and served on the property committee which, in 1990, guided the relocation of the AMA national headquarters from metro Washington D.C. to its current location in Muncie, IN. Russell also served as a judge for many AMA national competitions. There is no question that we would not be where we are today without Russell's many efforts.
