The RAMS Horn

Next Meeting:

Christmas Holiday Party

At our next meeting on December 6th, the RAMS club will hold our annual Christmas Holiday Party for members and their spouses/significant others. This is a great time to meet new members and mingle with everyone. We will conduct our usual meeting business too, so you won't miss out on that.

The club will be providing food and so-da/water. If you would like to share a holiday snack or dessert, please bring it to the meeting. We would love to eat it for you.

Please RSVP to Tom Young with a head count so we can accurately order the amount of food:

oneeagle2@yahoo.com

Renewal Reminder:

It's that time of year again: Don't forget to renew your AMA membership if you have not done so already.

Also you may bring your application and payment to renew your RAMS membership to the next meeting.

West Bend, WI

Show and Tell

BTE Models Reaction 54

At the last meeting, Jeff Wisneski brought in one half of a wing he is building from a kit. The plane is the Reaction 54, which is a 78 inch wing span turbine aircraft. This is the same jet that president Jeff Borowski has and has flown most memorably at our picnics. The aircraft was designed for smaller, grass fields compared to other jets. Jeff mentioned he will keep us up to date with his build.

Introducing the first ever RAMS coloring contest. On the next page is an outline of Jeff's jet. If you would like, print off this page and come up with a color scheme for the airplane. There is no guarantee any entry will be selected. No prizes are awarded to the potential winner—except maybe bragging rights. Have fun and be creative!

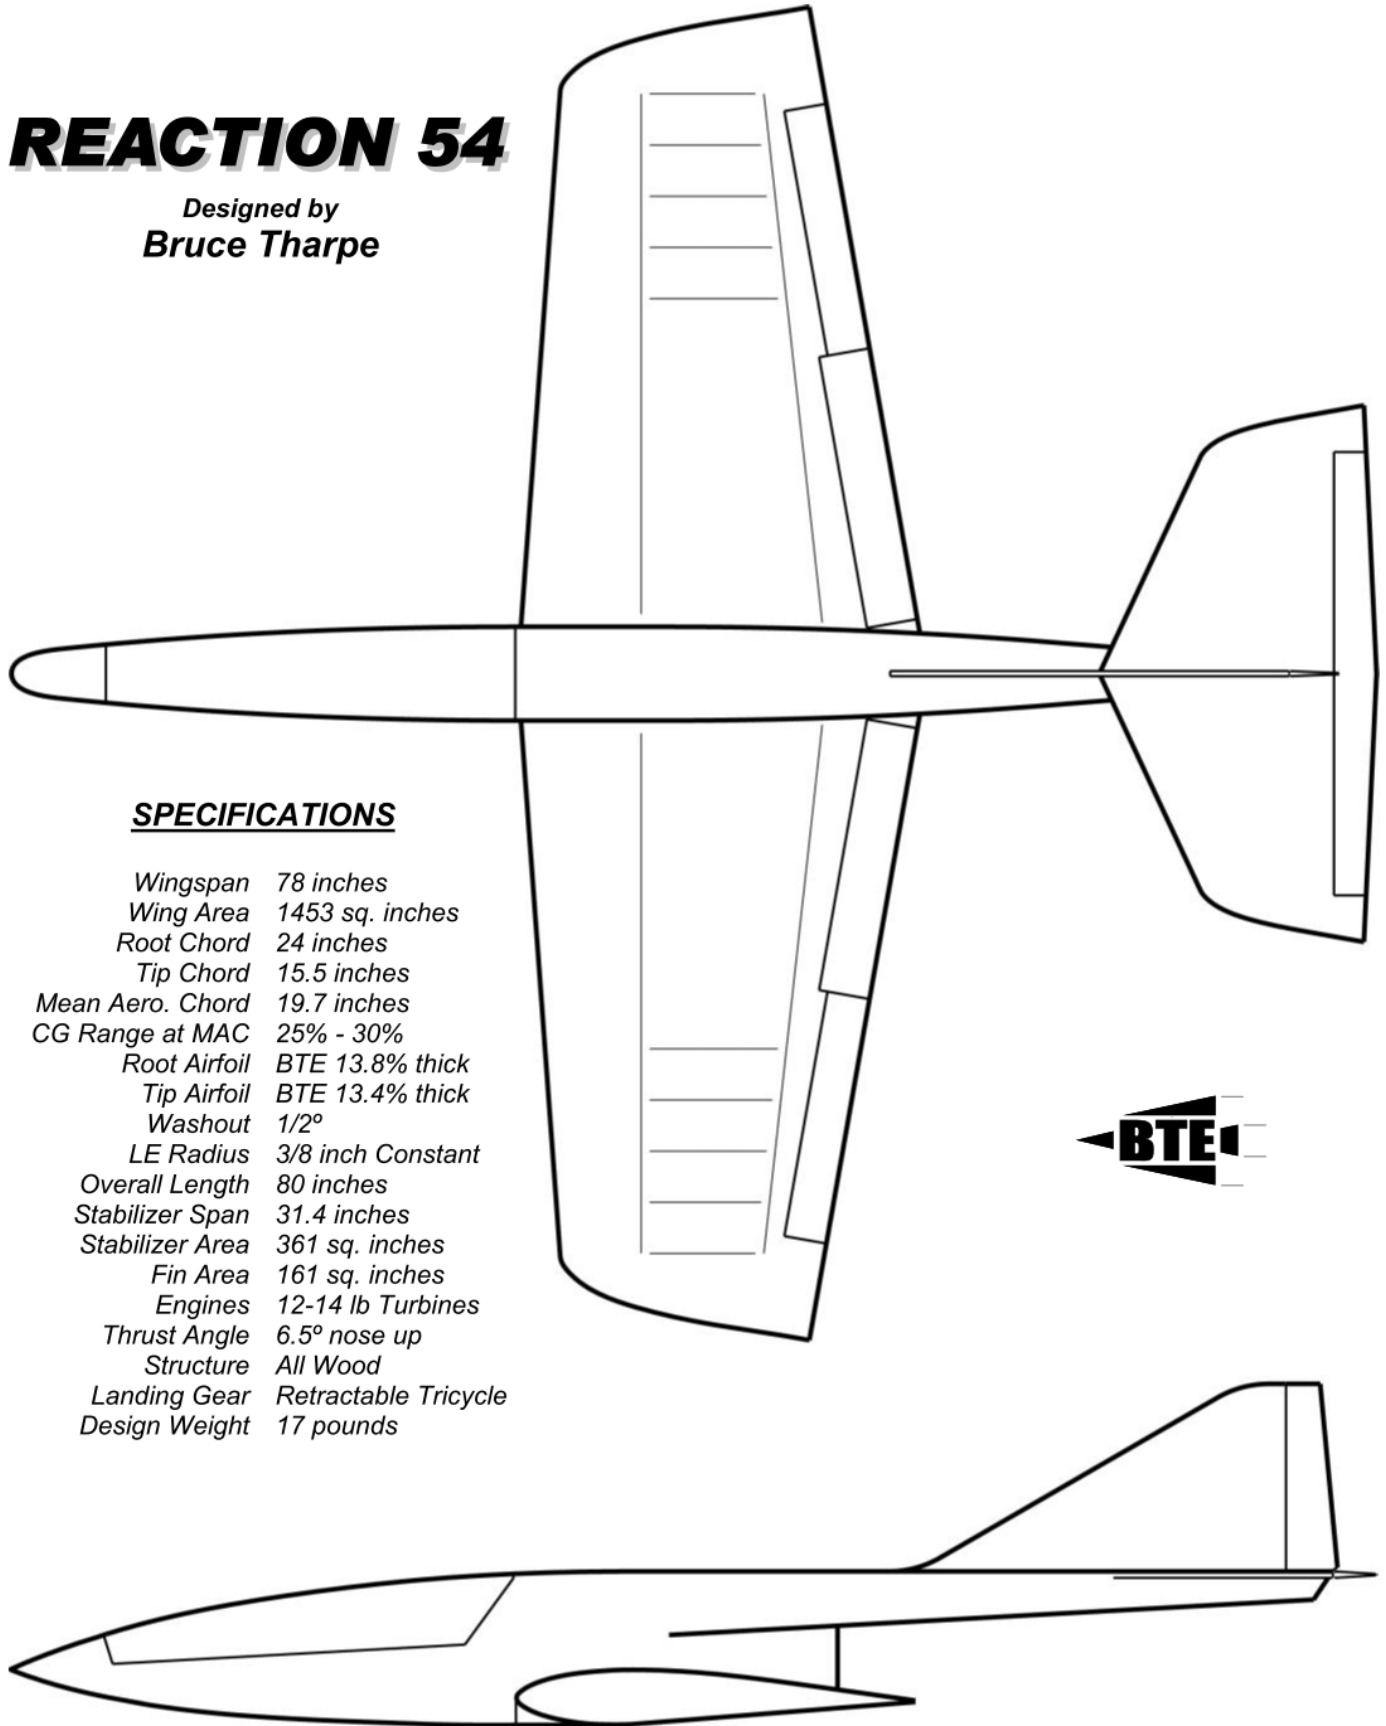

Lastly Bill Geipel brought in the last of Jack Spindler's planes and parts. The Corsair (left) is one of them. All planes were sold at the meeting. Jack's wife has asked that all the proceeds be donated back to the club. We thanks Kathy Spindler for this kind and generous gesture.
