Events

RAMS Members Picnic

September is here and our RAMS club picnic is just a few weeks away. The picnic is on **Saturday, September 22** with a rain date of Sunday the 23rd. All members and their families are invited to attend the picnic.!

The club will be grilling burgers and brats. Condiments, buns, soda, water, and hardware (plates/utensils) will be provided as well. **If you plan to eat, each member is asked to bring a "pass a plate" (recommended) to share with the group or chip in \$5 per person to offset the cost of the food.**

RSVP: To get an idea of the number of attendees, **please email Tom Young at oneeagle2@yahoo.com** with a headcount.

The picnic will start around 10 a.m., with lunch being served around noon. We will discuss more details at the next meeting. If you have any ideas for fun, friendly competitions, bring them up at the meeting. See you there!

Monthly Recap

August In Review

A hot and humid August is now behind us. We had several rainfalls this month that would have typically resulted in some flooding on the field. A couple of months ago, we heard about the removal of the beaver dam. It seems like that has helped a lot.

The field continues to “grow” to the East and the West due to the hard work of our field caretaker, Bob Glowienka. Bob has been cutting down areas of tall grass to reclaim more field.

The MARKS club held their annual Float Fly at the Bong Recreation Area in Kansasville, WI. Same as last year, there was a cross wind from the North.

Some highlights are on the next page. All photos from the event can be found on our Flickr page at the link below:
