RAMS Officers Election

At the last meeting, the club held officer nominations for the positions of president, vice president, and treasurer. The nominations are:

President—**Jeff Wisneski**

Vice President—**Tim Welch**

Treasurer—**Tom Young**

At the January meeting, we will vote on these positions and the newly elected officers will appoint positions of Secretary, Safety Officer, and newsletter editor. If you have any interest in participating in one of these appointed positions, please attend the next meeting.

**Renewal Reminder:**

Don't forget to renew your AMA membership if you have not done so already. Also you may bring your application and payment to renew your RAMS membership to the next meeting.

Monthly Recap

December in Review

We had a great time at the holiday party last month and hope everyone who attended did to. We heard a lot of positive comments about the pasta main course and thanks for **Tom and Pam Young** for getting the food! There were a few models brought in such as **Jim Myszewski's** Model Tech 1/3 scale Cub that was an estate sale find, and Jim updated the servos and DLE61 engine. **Jeff Borowski** showed us his updates on the pulse jet complete with a shiny new paint job. Although it looks complete, Jeff said there is still a lot of work to do.

Request for Help

Wisconsin State Fair Display

John Borchardt is working on next summer's history display for the Wisconsin State Fair. We are hoping to display six or seven model planes from the period around 1920 when there was an airplane race that involved the State Fair Park grounds. To do this I need to locate model planes from that period. The models would be carefully displayed, secure & out of harms way in the History Building aka the south DNR Building at the State Fair Park during the State Fair (August 6 through August 16) and returned after the Fair. If you know of any models or anyone who has such models that could be loaned to us please contact me at: JNBTR6@GMAIL.COM. Any help would be appreciated and acknowledged in the display.
