Monthly Recap

June in Review

Last month, we discussed more about the proposed battery charging station/additional RAMS shelter. We have a plan in place and are very excited to keep making improvements at the field! **President Jeff Wisneski** will be sending out a ballot to vote on the improvement, which will include the proposed funds needed to purchase the new shelter.

The field has been looking great all month. The farmers knocked down some of the tall grass on the East and West sides of the field allowing for some low approaches. **Bob Glowienka** along with an abundance of help from **Jim Myszewski** have been mowing more and more of the field. These additional areas are starting to fill in nicely!

Lastly, the flooding last month has displaced the West bridge over the creek. It floated its way down past the heli area. We are going to move it back once the ground dries up enough for the big tractor. So if you need to cross the creek, use the East bridge.

AROUND THE AREA

Upcoming Events

CANCELLED

Mitchell Gallery of Flight
Membership Meeting

07/11/2020 8 AM to 3PM

RC Airplane Fly In

Astrowings RC Club

Grafton, WI

CANCELLED

Midwest Warbirds and Classics

Fond du Lac, WI

Traffic Update

ELM Road Interchange Opens

If you journey to the RAMS field from the North or South along I-94, you may be interested in using the new interchange to Elm road. **Alan Borowski** travels from the North and prefers using Elm Road rather than Ryan Road and getting stuck by all those stop lights.

At the Field

Perfect June Weather

▼ **The Phillips's** father and son team flies a Spacewalker II in PT-19 Fairchild colorings.

▼ **Larry Johnson** warms up his Great Planes Avistar with some taxi runs.

▼ **Dick Cook** brings in his Sig Seniorita for a nice approach and landing from the East.

▼ **Bill Geipel** and new member **Gary Galubinski** discuss which plane(s) to get next. All of them!
