Monthly Recap

November in Review

Officer nominations are coming up at the December meeting!

If you would like to volunteer for one of the officer positions of:

- President
- Vice President
- Treasurer

Please attend the meeting or make sure you notify a club member of your desire to be nominated prior to the meeting. All nominations must be accepted during the December meeting and will be published prior to the January meeting. We will then vote for the nominees in January. The other positions of Secretary, Safety Coordinator, and Newsletter Editor will be appointed in January.

So, what did you think of that November weather? No flakey white stuff on the ground. We even had a couple of days early in the month in the high 60's. While Ernie and Bert wait to be fueled up, check out the pictures on the next page.

Here's some more pictures of November flying:

I finally caught **Bob Glowienka** in the air with his kit-built Sig Hog Bipe. That's a good flying plane!

Dick Cook put up many great flights with his electric stick plane. Not one battery went home with any capacity left to spare.

Jim Myszewski gives us a knife edge flyby with his Goldwing Edge 540.

Jeff Kraczek made some nice flights and landings with his Dallas Doll.
